POLICY

The Delta Mobrey Senior Management Team are committed to developing Delta Mobrey into a highly profitable, world-class global supplier with a comprehensive range of premium quality instruments and services for various industries. This is in the best interests of our customers, shareholders, employees and suppliers. To achieve this, we are committed to:

- Driving quality from the Senior Management Team down by regularly reviewing the suitability, adequacy and effectiveness of the quality management system, the quality policy, quality objectives, and process kpi's.
- Ensuring Delta Mobrey meets or exceeds all applicable requirements, including statutory, regulatory, and contractual customer requirements.
- Ensuring that all Delta Mobrey processes conform to the requirements of BS EN ISO 9001:2015 and any internal standards or policies.
- Ensuring compliance with the requirements of (a) relevant European Directives and National Regulations e.g., ISO/IEC 80079-34, LVD, EMC, PED/PER;(b) International standards, where applicable.
- Creating a working culture that actively promotes customer focus, health and safety, risk-based thinking, and continual improvement of the quality management system and the way we work.
